## HEADLINERS

Nick Phelps

*Nick Phelps is a professor and Interim Head in the Department of Fisheries, Wildlife and Conservation Biology and the Director of the Minnesota Aquatic Invasive Species Research Center at the University of Minnesota. His research focuses on emerging threats to aquatic systems at both the macro and microbial scales in the fields of fish health and aquatic invasive species (AIS).*

Chris LeClair

*Chris LeClair is the Director of the Land & Resource Management Department for Otter Tail County. Chris began his career in 1993 as a regulator in the environmental health field at Anoka County while finishing his B.S. in Natural Resources & Environmental Studies at the University of Minnesota. In 1996, Chris was the Environmental Health Specialist at Washington County where he remained for 22 years.*
